PHILIPS

Body groomer
Unique Skin Protector 3mm trimming comb, 100% waterproof, AA battery power

BG105/11

Highlights

Unique Skin Protector

The unique skin protector guards even your most sensitive body areas, allowing you to comfortably trim hair as close as 0.5mm without directly exposing your skin to blades.

Bi-directional trimmer

Uniquely designed to trim hair both backwards and forwards, this trimmer makes it possible to catch and cut hairs even when they grow in different directions.

Trimming comb

For a longer look, click-on the 3mm comb, especially developed for trimming body hair.

100% waterproof

The Philips Bodygroom is 100% waterproof, so you can simply rinse it clean under water when you're done. It also comes with a non-slip grip, so you can easily use it under the shower.

AA battery power

Cordless use thanks to AA battery power - the Philips Bodygroom is ready to use whenever,

wherever. For optimal performance with up to two months use, use high quality Philips Alkaline AA batteries. Battery performance and run-time may differ depending on hair type and frequency of use.

Long-lasting sharpness

The blades are designed to last, time after time and don't need replacement on a regular basis.

Built to last

All of our grooming products are built to last. They come with a 2-year worldwide guarantee and the Bodygroom series 1000 is no exception!
